Personal Profile:

I am a professional Lighting Camera Operator, Camera Assistant and Drone Operator with a comprehensive knowledge of a wide range of broadcast equipment. I have worked within the television industry for over 10 years.

I am highly skilled in a multitude of camera types, formats and installations, from rapid turnaround minicam rigs, multi camera studio / location shoots, gimbal setups and single camera shoots. I also have extensive knowledge in rushes/data management, transfer and logging using Adobe suite products and Shotput Pro.

I am employed by Maddogs Television, this gives me access to a wide range of equipment suitable for any shoot, along with invaluable support of a fully staffed facilities house at the drop of a hat. I am available to hire as a Lighting Camera Operator, a Camera Assistant, or a Drone Operator. I hold an I-Visa for the US. I am qualified to fly drones in the UK and EU.

Having travelled and worked in various countries and environments around the world, no job or challenge fazes me, so whether its on the south coast of England or anywhere across the globe, my commitment to professional and creative excellence is unwavering.

Equipment:

I have access to, and experience shooting on Blackmagic Ursa's, Sony Venice, Sony PXW-FX9, Sony PXW-FX6, Sony FX3, Sony PMW-F55, Sony PXW-FS7 (mki and mkii), Sony PXW-500, Sony PMW-500, Sony PMW-F800, Sony PMW-300, Sony PMW-200, Sony A7S, Canon C300 (mki and mkii), Canon XF-105. I also have comprehensive experience operating the Ronin, Ronin M, Ronin S, Ronin RS-2 and various other gimbals.

Minicams, wrangling equipment, sliders, mini-jibs, lights, audio equipment and time lapse kits are all available as needed. I also own a DJI Mavic 3 and DJI Mini 3.
